HIGH PERFORMANCE SPECIAL ORDER DOORS – NO OVERHANG REQUIRED

There is nothing quite like the beauty of a Simpson wood door. And just because your exterior door opening may not have protection by a porch or overhang, doesn't mean you are stuck with a boring steel or fiberglass door. Both the Nantucket Collection™ of doors and WaterBarrier® technology upgrade available for any door are engineered differently, for the very toughest exposures. And both products carry an extended warranty with no overhang required. For more information, visit simpsondoor.com.

NANTUCKET COLLECTION™ – 10-YEAR WARRANTY

UNBEATABLE CONSTRUCTION

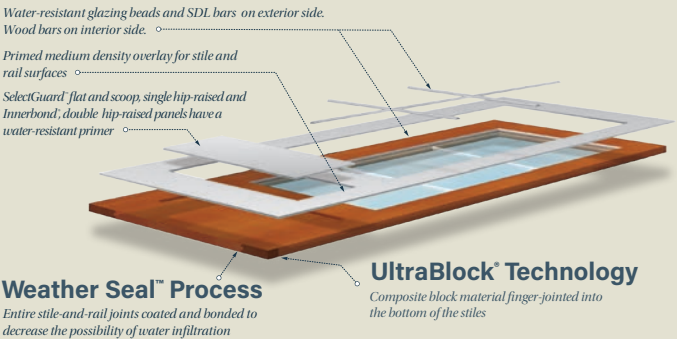

- Mortise-and-tenon joinery with face-driven pins
- Two-piece laminated stile-and-rail construction
- Can be stained or painted
- Ten year warranty, no overhang required

WATERBARRIER® – 5-YEAR WARRANTY

AN OPTION FOR ANY DOOR

- An overlay commonly used on concrete forms and street signs
- Excellent durability and resists moisture absorption
- Choose any species to match interior architecture
- Available for virtually any Simpson door
- Exterior of door to be painted. Interior can be stained or painted
- Five year warranty, no overhang required
