NEWS

Fresh updates from Boise Cascade Millwork bringing you the latest news, expansions, and market highlights.

SAFETY MONTH

June is Safety Month, and at Boise Cascade Millwork, safety is a core value that guides everything we do. It is not limited to one month. It is part of every process, every decision, and every jobsite interaction. This is a time to reinforce the habits, training, and accountability that keep our teams protected. By staying focused, consistent, and committed to one another, we continue to build a culture where everyone goes home safely at the end of each day.

GLASS OPTIONS FOR DOORS: STYLE, FUNCTION AND INSTALLATION

A smarter approach to selling doors focuses on style, security, and long-term savings, with glass options playing a key role. From decorative designs to privacy and energy performance, the right glass helps elevate curb appeal while meeting practical needs. By highlighting these benefits, dealers can guide customers with confidence and position doors as both a design statement and a performance investment.

PATIO DOORS: CONNECTING INDOOR AND OUTDOOR LIVING

Patio doors do more than create an opening. They transform how spaces connect. With options like sliding, French, pivot, and folding styles, they bring in natural light, improve flow, and create a seamless transition between indoor comfort and outdoor living. The right patio door enhances both function and design, making spaces feel larger, brighter, and more connected.
